TO: ALL A.H.A. PROPERTY RESIDENTS

SUBJECT: Satellite and Cable TV Installation Requirements

Please be advised that the Arcadia Housing Authority requires that all residents comply with the following installation the following Satellite & Cable TV services requirements:

ALL SYSTEM INSTALLATIONS ORDERED THROUGH DIRECT T.V. , CENTURY LINK & DISH NETWORK MUST BE PRE-APPROVED BY OUR MAINTENANCE DEPARTMENT (494-4120) PRIOR TO INSTALLATION.

Installers will be required to comply with the following installation requirements.

All satellite equipment shall be installed on ground poles. Nothing can be attached to a roof or fascia on the building.

All cable lines must be connected to existing cable lines or replace with upgrade cable through-wall with complete seal around cable entryway. ACCESS TO ATTIC AREAS WILL BE PERMITTED BY PERMISSION ONLY on a case by case basis.

No cable cords are allowed to be installed in such a way that will create any tripping hazards (interior or exterior). All interior & exterior cabling must be securely anchored.

When a tenant moves or the contract is cancelled the provider must agree to remove the satellite dish within 10 days of contract termination. ***DISH's remaining after that date will be removed by the AHA and discarded.***

The above described procedures are part of the residential rules incorporated by reference to your dwelling lease. Failure to comply with these rules shall constitute a lease violation. Be advised that improperly installed T.V. systems will be removed by the AHA and all costs associated with the removal of unauthorized systems and related repair will be assessed to the lease holder.

I, _____, have read the above requirements and agree to comply with the
(Print Name here) above stipulated requirements.
